

Paperfelt Illuminated workshop with Fiona Duthie

Materials List:

Students are required to bring the following materials and equipment to this workshop:

- 250 grams merino wool, natural white, 19-23 microns
- Bubblewrap: 2 x 60cm (24 inches) x 60cm (24 inches)
(Note: Bubblewrap is essential for the techniques in this class. Other felting work surfaces won't work.)
- Measuring tape
- Pen/pencil
- Calculator
- Scissors, very sharp
- Drawing book, notepad
- Old towels (2)
- Small bucket/container for water
- Sewing Needles
- Ball Brause, or other tool for wetting out wool (eg bottle with small holes drilled in the lid)
- Sewing thread in white/natural white
- Small clips like bull clips or even clothespins.
- A pair of small needle-nose pliers is a great tool to have on hand.

Materials provided:

Your tutor will provide the hardware as well as some other materials for use during the class:

- paper
- wire ring and base
- cord
- ink and brushes
- soap
- resist material
- forms for shaping
- pipe for rolling.

Names of suppliers will be shared with the students for future reference.
